**Deborah E. Lipstadt : Denial: Holocaust History on Trial** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Denial: Holocaust History on Trial:

0 of 0 people found the following review helpful. Outstanding book! By David Rivera I discovered this book after doing research on antisemitism for a study I was going to give on the book of Esther. I read a brief article on the book and its author and bought it immediately. Clear your calendar! You will find it near impossible to set it down until you finish reading it. Thank you so much for this magnificent book and for the defense of the truth. 0 of 0 people found the

following review helpful. Five StarsBy SusanSobering to believe that people can deny this travesty.0 of 0 people found the following review helpful. engrossing - I thoroughly enjoyed this readBy Adrienne JudesWell-written, interesting, engrossing - I thoroughly enjoyed this read. I would highly recommend this book to all.

In her acclaimed 1993 book *Denying the Holocaust*, Deborah Lipstadt called David Irving, a prolific writer of books on World War II, one of the most dangerous spokespersons for Holocaust denial. The following year, after Lipstadt's book was published in the United Kingdom, Irving filed a libel suit against Lipstadt and her publisher. She prepared her defense with the help of a first-rate team of solicitors, historians, and experts, and a dramatic trial unfolded. *Denial*, previously published as *History on Trial*, is Lipstadt's riveting, blow-by-blow account of this singular legal battle, which resulted in a formal denunciation of a Holocaust denier that crippled the movement for years to come. Lipstadt's victory was proclaimed on the front page of major newspapers around the world, such as *The Times* (UK), which declared that history has had its day in court and scored a crushing victory.

A fascinating and meritorious work of legal and moral history. (Kirkus s (Starred)) Powerful. No one who cares about historical truth, freedom of speech or the Holocaust will avoid a sense of triumph. (Publishers Weekly (starred review)) Lipstadt gives a detailed account of the trial that never loses its suspense, readability or momentum. Or humor. (Salon.com) Fascinating.... [Lipstadt] takes us into the moment and produces a courtroom drama as enthralling as any fictional one. (San Jose Mercury News) Deborah Lipstadt is writing for us. And for the ages. (Atlanta Journal-Constitution) *History on Trial* is not the first book about the case.... But Lipstadt's story is more personal, compelling and intriguing. (San Francisco Chronicle) A well-paced, expertly detailed and fascinating account of the trial process. (Daniel Jonah Goldhagen, Washington Post Book World) Immensely readable. *History on Trial* restores one's faith in the power of good scholarship. (Washington Times) A compelling book, *History on Trial* is memoir and courtroom drama, a work of historical and legal import. (Jewish Week) Resonant. (Baltimore Sun) Compelling. Lipstadt's vigorous account is a window into a Jewish community still grappling with the loss of 6 million souls. (Newsweek International) About the Author Deborah E. Lipstadt is Dorot Professor of Modern Jewish and Holocaust Studies and director of the Institute for Jewish Studies at Emory University. She is the author of *Denying the Holocaust: The Growing Assault on Truth and Memory*.
