The church had its origin within Israel, but over the centuries the destinies of the two groups have diverged widely. An exciting feature of our time is that the destinies of Israel and the church are once again beginning to converge. This God-ordained convergence will produce the most dramatic and significant developments of all human history. Israel is at the center of a powerful clash of forces, but God has established firm covenants with both Israel and the church. The only reliable source of light upon the situation in the Middle East is provided by God's prophetic Word. If we do not seek the light that comes from this source, we will inevitably find ourselves in the dark, subject to confusion and deception. In *The Destiny of Israel and the Church*, legendary Bible teacher Derek Prince explores the answers to these questions, and more: Has the church replaced Israel in God's plan? Why is the tiny nation of Israel the focus of world attention? What is the restoration of Israel? What is the responsibility of Christians toward Israel? "[Derek Prince's] wisdom and knowledge reach a depth few men ever know. No one is more qualified to address the controversial issue of Israel and the church." —John C. Hagee, founder and senior pastor, Cornerstone Church, San Antonio, Texas
