-- : **Diparadhana** before purchasing it in order to gage whether or not it would be worth my time, and all praised Diparadhana:

0 of 1 people found the following review helpful. Five StarsBy Keshav FulbrookGreat!

This is a very useful hand-book for daily recitation at home. With all the Vedic hymns (with marks of svaras) and prayer verses that are chanted and recited at Arsa-Vidya temples, this book is very useful to follow closely and learn

the daily rituals in the traditional Siva temples.
