Swami Dayananda Saraswati : Discovering Love before purchasing it in order to gage whether or not it would be worth my time, and all praised Discovering Love:

1 of 1 people found the following review helpful. Great bookBy VishakhaSwamiji is a great teacher. I love his books.This is a great book, It came in time and is very well packaged so I am really happy about it.

The Discovery of love is more understanding what it is and what it is not.Once you know what it is,it can be guarded

and nursed."
