**Swami Ranganathananda : Divine Grace** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divine Grace:

The concept of Divine Grace is found in Hinduism, Christianity, Islam and even one school of Mahayana Buddhism. Using the Bible, the writings of Swami Vivekananda and other Indian sages, and especially the Bhagavad Gita as sources, Swami Ranganathananda discusses the need all people have for grace and love in their lives. At the end of the book Swami Ranganathananda gives the following blessing: I wish all of you complete success in your spiritual training, and fulfillment from manliness to godliness, from manliness to saintliness. That is a complete philosophy of

life; and that is the yoga of the Gita. Swami Ranganathananda was the 13th President of The Ramakrishna Math and Mission. He is the author of Message of the Brhadaranyaka Upanishad and The Message of Vivekachudamani among many other books. He is also the subject of the books: The Monk Without Frontiers: Reminiscences of Swami Ranganathananda and My Life Is My Work.
