Emmanuel Akyeampong : Drink, Power, and Cultural Change: A Social History of Alcohol in Ghana, c. 1800 to Recent Times (Social History of Africa) before purchasing it in order to gage whether or not it would be worth my time, and all praised Drink, Power, and Cultural Change: A Social History of Alcohol in Ghana, c. 1800 to Recent

Times (Social History of Africa):

This book highlights alcohol's centrality in the culture of power.

"[This book] is well-written, accessible to a variety of readers, thoroughly researched, original in approach and insight, and broad in its implications. . . . Akyeampong takes very seriously the challenge of conceiving African history in terms of indigenous intellectual categories and in terms of the experience of those involved. Real people come to life in these pages...."-Charles Ambler, University of Texas "This book is well-written, accessible to a variety of readers, thoroughly researched, original in approach and insight, and broad in its implications. . . .
