Alfred Vail : Early History of the Electro-Magnetic Telegraph: From Letters and Journals of Alfred Vail (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Early History of the Electro-Magnetic Telegraph: From Letters and Journals of Alfred Vail (Classic Reprint):

Excerpt from Early History of the Electro-Magnetic Telegraph: From Letters and Journals of Alfred Vail On his forty-sixth birthday Vail's diary records Riches and honor I care not for. Riches he did not have, and this pamphlet, the labor of my declining years, will, I trust, show his, share in bring ing the telegraph into successful use. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
