**Patricia Buckley Ebrey, Anne Walthall : East Asia: A Cultural, Social, and Political History** before purchasing it in order to gage whether or not it would be worth my time, and all praised East Asia: A Cultural, Social, and Political History:

0 of 0 people found the following review helpful. A very good book for college course or for self reading if affordable. By Chester The text was very useful during my Asian History course. Compared to other history textbooks, detail was made in a variety of aspects of Japan and China throughout the dynasties. My only complaint would be the lack of neighboring countries. Some are mentioned, but China and Japan make the majority of the text. 1 of 1 people found the following review helpful. Exactly what I needed. By Nic This textbook is exactly what I needed for my HIST 105 class. The front cover was bent in a few places and the binding was scraped, which I'm fine with, I mean it's just a rental. 0 of 0 people found the following review helpful. Five Stars By Customer great shape.

Written by top scholars in the field, EAST ASIA: A CULTURAL, SOCIAL, AND POLITICAL HISTORY, 3E

delivers a comprehensive cultural, political, economic, and intellectual history of East Asia, while focusing on the narratives and histories of China, Japan, and Korea in a larger, global context. Full color inserts on such topics as food, clothing, and art objects illustrate the rich artistic heritage of East Asia. A range of primary source documents spotlights women's independence, students-turned-soldiers, and other stirring issues, while intriguing biographical sketches throughout highlight the lives of popular figures and ordinary people alike.

PART I: THE FOUNDATIONS OF EAST ASIAN CIVILIZATION IN CHINA. Connections: The Prehistory of East Asia. 1. China in the Bronze Age: The Shang and Western Zhou Dynasties (ca 1500-771 B.C.E.). 2. Philosophers and Warring States During the Eastern Zhou Period (770-256 B.C.E.). 3. The Founding of the Bureaucratic Empire: Qin-Han China (256 B.C.E.-200 C.E.). Connections: Buddhism. 4. Political Division in China and the Spread of Buddhism (200-580). 5. The Cosmopolitan Empires of Sui and Tang China (581-960). Connections: Cultural Contact Across Eurasia (600-900).
