**MURPHEY : East Asia: A New History** before purchasing it in order to gage whether or not it would be worth my time, and all praised East Asia: A New History:

0 of 0 people found the following review helpful. like a sentence ran on for 12 linesBy D. BabcockThis book is written very poorly. I find myself distracted by the informal speech and confusing sentences. This book might be more worth while with A LOT of editing. Typos, run-on sentences (seriously, like a sentence ran on for 12 lines!), and inserting opinion as fact. Very unprofessional. If I didn't need it for school, I would have given up reading it.0 of 0 people found the following review helpful. College text... delivered as promised.By CustomerCollege text...delivered as promised.0 of 0 people found the following review helpful. great deal since this book was over \$90 used from ...By Libbygreat deal since this book was over \$90 used from my school. No color photos, but that's alright by me.

This accessible text offers a comprehensive history of China, Japan, Korea, and Vietnam, including coverage of everyday life, women and gender-related issues, and the environmenttopics often neglected in other texts. Throughout

his distinguished career, author Rhoads Murphey has inspired within students an appreciation for the rich and unique history of Asia. The Fifth Edition of this text on East Asia is certain to bring this fascinating region to life for many of today's students.
