E. A. Wallis Budge : Egyptian Ideas of the Future Life before purchasing it in order to gage whether or not it would be worth my time, and all praised Egyptian Ideas of the Future Life:

0 of 0 people found the following review helpful. Bland kindle versionBy MysticJaguarI don't know about the original text, but as a kindle book this is kind of a fail. If you know Budge, he is still kind of a standard even though he, in various works to various extents, get's into trouble trying to compare Khemetian philosophy/religion with Christianity. That fault aside, this ebook one run on paragraph after another. It is text dense and hard to read. I would NOT want this as a kindle on my tablet.0 of 0 people found the following review helpful. Five StarsBy todd leeGreat read.0 of 0

people found the following review helpful. a must haveBy CustomerAlthough more then a century old (1899), it is still one of the classics and a must have for every library.

With eight illustrations

About the AuthorE. A. Wallis Budge, the author of numerous books, was once the Keeper of Egyptian and Assyrian Antiques in the British Museum.
