**Efren Cordova : El Islam visto por un cristiano/ Islam Viewed from a Christian (Felix Varela) (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised El Islam visto

por un cristiano/ Islam Viewed from a Christian (Felix Varela) (Spanish Edition):

This is, without a doubt, an important and valuable book for it presents an objective and documented history of Islam and its prophet, Mohammad. The book analyses Mohammad's life, the teachings of the Quran, the different Islamic sects, the role of women in Islam, the causes that have resulted in clashes between Muslims and Christians, terrorism today and the reactions of the Western world.

About the Author The author is Cuban and was a professor of Law at the University of Havana.
