**Andrew Hosken : Empire of Fear: Inside the Islamic State** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Empire of Fear: Inside the Islamic State:

0 of 0 people found the following review helpful. This explains the beginning of it all....By XYZA great primer on the creation of ISIS. And guess what? The Americans has a hand in germinating them! (gasp) This book is pretty upfront

about how the one-two punch of pissed-off religious fanatics from Abu Graib and various other sundry places like that (going back to Afghanistan occupation) and a restless former Iraqi Army officer corps left to it's own devices teamed up to become a true non-state state pain in the ass.0 of 0 people found the following review helpful. Great read for the lay person with little understanding of ...By Dan BestGreat read for the lay person with little understanding of the real challenges driving the issues in the Middle East.0 of 0 people found the following review helpful. Five StarsBy HHJMExcellent insight into the chaos of the Middle East

"A tremendously useful, insightful study of the frightening spread of a culture of death. Hosken does an excellent job of sorting out the American reaction, the failure of the Iraqi leadership in the form of Nouri al-Maliki and others, and how IS has become the richest terrorist group in the world."Kirkus Reviews, (Starred)

"An analytical and lucid history of ISIS. Veteran BBC correspondent Andrew Hosken ably chronicles and thoroughly documents the rise of ISIS and its leaders as well as explaining how the group managed, in a few short months, to threaten everything Americans and others fought and paid dearly to establish in Iraq from 2003 to 2011.The Christian Science Monitor
