**Jill Dudley : Epidaurus: Centre of Healing. All You Need to Know About the Site's Myths, Legends and its Gods (Put it in Your Pocket Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Epidaurus: Centre of Healing. All You Need to Know About the Site's Myths, Legends and its Gods (Put it in Your Pocket Series):

In this booklet Jill Dudley describes the myths regarding the birth of Asclepius, god of medicine. She outlines the procedures which took place to bring about the miraculous healing of the sick and disabled, and lists some of the miracle cures which took place there. It is as it says on the back cover of the booklet: All you need to know about the sacred site, its myths, legends and its gods.
