Roy Matthews, DeWitt Platt, Thomas F. X. Noble Dr. : Experience Humanities, Complete before purchasing it in order to gage whether or not it would be worth my time, and all praised Experience Humanities, Complete:

The humanities are alive. We see the great pyramids in contemporary design; we hear Bach in hip-hop and pop music; and we feel ancient religious themes and philosophies in our impassioned contemporary dialogues. Experience Humanities invites students to take note of the continual evolution of ideas and cross-cultural influences, to better understand their cultural heritage and to think critically about what their legacy will be for future generations. Together with Connect Humanities, students not only experience their cultural heritage, but develop crucial critical

thinking, reading, and writing skills, preparing them to succeed in their humanities course and beyond.
