Justo L. Gonzalez : Faith and Wealth: A History of Early Christian Ideas on the Origin, Significance, and Use of Money before purchasing it in order to gage whether or not it would be worth my time, and all praised Faith and Wealth: A History of Early Christian Ideas on the Origin, Significance, and Use of Money:

15 of 15 people found the following review helpful. *The Convergence of Competence and Passion* By Stanford Gibson When an author and historian as prolific and accomplished as Gonzalez turns his attention to the historical theology of a doctrine he is particularly passionate about, the result is a remarkable work. *Faith and Wealth* proceeds systematically and insightfully through the reflections of all the major documents of early Christianity on the topics of wealth and the poor. He frames this discussion with a helpful discussion of Greek and Roman thought and some of his own reflections. The text is rigorous and readable - by far the best on the topic of several I surveyed. 7 of 8 people found the following review helpful. Another Gonzalez Masterpiece By PeacefulSeeker Justo Gonzalez is perhaps the preeminent church historian alive and his treatment of faith and wealth is not so much a thesis as a history through a finance lens.
