This one is unique in its theological as well as dramatic portrayal of the events. Unlike other books he focuses on Fatima exclusively. He does not incorporate messages from other Visions. This is probably my

favorite book on Fatima that I have read to date. 0 of 0 people found the following review helpful. Mary is Gods Great Sign for the 21st Century By Israel J. Sanchez This is a must read for anyone who is trying to understand the Mother of God's place in her Son's Plan for Saving mankind. Mary is Gods Great Sign for the 21st Century. 3 of 3 people found the following review helpful. Truly Thought Provoking By Patricia Any one with a true devotion to Mary must read this account of the apparitions in 1917 Portugal. Makes one hopeful of a better life to come.

The story, the message, and the meaning. Penetrates deeply into the theology of Fatima: the Rosary, daily duty, Eucharistic reparation, consecration and reparation to the Immaculate Heart of Mary, Hell and the prophecies, etc. Spells out the repeated papal pronouncements on the crucial relevance of Fatima to the entire world. As Pope Pius XII said, "The time for doubting Fatima is past; it is now time for action." One of our most popular titles. Eye-opening!
