**Pascoe Grenfell Hill : Fifty Days on Board a Slave-Vessel: In the Mozambique Channel April and May, 1843**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Fifty Days on Board a Slave-Vessel: In the Mozambique Channel April and May, 1843:

0 of 0 people found the following review helpful. A first hand account of the holocaust called slavery. By Jazzbuff This book provides a great insight into one of the most evil and despicable systems of greed based on inhumanity in the entire annals of history. It should be required reading for all high school students. 0 of 0 people found the following review helpful. Sad read By Brian Walton I say this is an excellent purchase being a person who is searching for good quality items for use and use when I really really am in need 0 of 0 people found the following review helpful. Unreadable, I will return By 16th And Gray This is just a bad photo copy of a book. This material is not readable. I plan to return this book.

Rev. Pascoe G. Hill has left us a chilling testament. Fifty Days on Board a Slave - Vessel is his unforgettable account of life on a slave ship. Hill's narrative locks fifty days into an existence of forever that haunts, not from the fear of the unknown, but the fear of the known. At a relatively safe distance of more than a hundred years away from Hill's time we know, as he did, the extended suffering of the enslaved Africans.
