Thomas DuBay : Fire Within: St. Teresa of Avila, St. John of the Cross and the Gospel-On Prayer before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Within: St. Teresa of Avila, St. John of the Cross and the Gospel-On Prayer:

7 of 7 people found the following review helpful. The Universal Call to Union with our Lord By Tyler L. This is a great book that calls you out in a way. Contemplative prayer is not what it would seem to be by the name of it. I had a misconception of what it is and how it pertains to all believers' lives. Using the teachings of St. Teresa and St. John, Thomas DuBay takes you through the process of growing in contemplative prayer, which is the way we are all meant to grow closer to our Lord. The Saints' wisdom comes directly from Scripture and DuBay demonstrates that. It will open your eyes to certain Scripture passages you've maybe never thought much about before. This is a book that will change your thoughts on the spiritual life if you've never read about contemplative prayer before. This book is a great blessing and contemplative prayer is the universal call to union with God. 3 of 3 people found the following review helpful. but so far I've enjoyed it more than many spiritual books By Customer I've only read the first three chapters, but so far I've enjoyed it more than many spiritual books. The writing style is intellectual but not difficult to understand. Dubay explains how contemplative prayer and the resulting deep relationship with God is accessible to all. This perspective is based on the teachings of St. Teresa of Avila and St. John of the Cross, which are explained by Dubay. 3 of 3 people found the following review helpful. A Modern Classic By Helen K. Westover Dubay's magnum opus has become a classic. I can't read it enough times. It is the best work on Carmelite spirituality I've ever read. Perfect for laymen, religious, and anyone who wishes to deepen their prayer life.\

This book is the fruit of Fr. Dubay's many years of study and experience in spiritual direction and in it he synthesizes the teachings on prayer of the two great doctors of the Church on prayer--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture. But the teaching that Fr. Dubay synthesized is not collected from Teresa and John for contemplatives alone. It is meant for every Christian and is based on the Gospel imperative of personal prayer and the call to holiness. All the major elements of these great teachers are ordered, commented on and put in the context of their scriptural foundations. Here is an outstanding book on prayer and the spiritual life written by one of the best spiritual directors and retreat masters of our time, and based on the writings of the Church's two greatest mystical doctors.

"This book is a gold mine for any Christian intent on making progress in prayer. Any reader who appreciates the relevance of the spiritual in these troubled times will find *Fire Within* difficult to put down. A work of art by a master of the spiritual life." ---- Benedict Groeschel, C.F.R.
