No pages were missing so far as ...By CustomerIt had everything need to get through this class, the book was in good condition. No pages were missing so far as I am able to tell thus far. But I am still in my class and continuous to use the book.0 of 0 people found the following review helpful. Book wasn't in great condition. Very noticeable wear and tear on front ...By CustomerBook wasn't in great condition. Very noticeable wear and tear on front cover, I'm afraid I'll make it worse because it's somewhat fragile.0 of 0 people found the following review helpful. Five StarsBy mikhail fieldlike it

First Americans provides a history of Native Americans, from their earliest appearance in North America to the present, that covers the complexity and diversity of their past. The text demonstrates Native Americans participation in

determining their own future and helps students place Native American history in context with national and international developments. Present throughout the text is the "native voice," giving American Indians perspectives on historical developments. The text also enforces the reality that native people retain a presence in the U.S. today as a growing population with a rich diversity of roles, ideas, and contributions.

About the Author Kenneth Townsend earned his Ph.D. in American History from the University of North Carolina at Chapel Hill in 1991, two years after joining the faculty of the Department of History at Coastal Carolina University in Myrtle Beach, South Carolina. Townsend now serves as chair of the Department of History. He is the author of *World War II and the American Indian* (2000), *South Carolina* (2008) and varied articles, and he is revising a book-length manuscript addressing the World War II home front in the Southeastern United States. In summer 2006 Townsend embedded with U.S. Army units in Kabul and Kandahar, Afghanistan and is now completing a project titled *Shadows of War* that examines the personal imprint of war on soldiers and their families. Mark A. Nicholas received his PhD from Lehigh University in 2006, and teaches at Florida Atlantic University. With Joel W. Martin, he edited *Native Americans, Christianity, and the Reshaping of the American Religious Landscape* (Chapel Hill: University of North Carolina Press, 2010). He has several ongoing projects, including a book about the Seneca Indians for Michigan State University Press and a book about the Shawnees in Kansas for University of Arizona Press.
