**Peter Kolchin : First Freedom: The Responses of Alabama's Blacks to Emancipation and Reconstruction (Library Alabama Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised First Freedom: The Responses of Alabama's Blacks to Emancipation and Reconstruction (Library Alabama

Classics):

Crucial changes occurred during the years following the Civil War as blacks manifested their desire to live as independently as possible and to reject every social relation reminiscent of slavery. This classic study of the history of post-slave societies helped to initiate historiographic trends that remain central to the study of emancipation.
