Rod Bennett : Four Witnesses: The Early Church in Her Own Words before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Witnesses: The Early Church in Her Own Words:

1 of 1 people found the following review helpful. Recommended Reading By Maymie My husband and I read this book together. Very moving profiles of some of the Early Church Fathers. The author closes the book by relating this to his experience of coming into the Roman Catholic Church. While I am not interested in it from that perspective I think every

Christian is well served by gaining an appreciation for the Early Church Fathers. After all, they do not belong only to the Roman Catholic Church but they are a heritage of all Christian believers. 0 of 0 people found the following review helpful. Apostolic Fathers of the church By Kindle Customer A very good exploration of our Apostolic Fathers. Brings together what it was like in the early church before the publication of the New Testament. These folks were (for the most part) talking directly with the Apostles, educated at their knees. 0 of 0 people found the following review helpful. The Way By Mark Bolland Don't be afraid to read this book if you are in search of the Way. Thank you Lord Jesus Christ.

What was the early Church like? Contrary to popular belief, Rod Bennett shows there is a reliable way to know. Four ancient Christian writers--four witnesses to early Christianity --left us an extensive body of documentation on this vital subject, and this book brings their fascinating testimony to life for modern believers. With all the power and drama of a gripping novel, this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church--Clement of Rome, Ignatius of Antioch, Justin Martyr, and Irenaeus of Lyons.
