Hart : Fractured Faiths / Las fes fracturadas: Spanish Judaism, the Inquisition, and New World Identities / El judasmo espaol, la Inquisicin y identidades nuevo mundiales (English and Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fractured Faiths / Las fes fracturadas: Spanish Judaism, the Inquisition, and New World Identities / El judasmo espaol, la Inquisicin y identidades nuevo mundiales (English and Spanish Edition):

2 of 2 people found the following review helpful. Exhibition catalogBy Diane SandovalExhibition catalog with high quality images of the objects in the exhibit. Well selected accompanying essays.2 of 2 people found the following

review helpful. Five StarsBy rebekThis excellent book arrived in fine condition.0 of 0 people found the following review helpful. Five StarsBy Sandra GlauberA very comprehensive view on the subject.

Why does the story of secret Jews fascinate us? What is crypto-Judaism? In recent decades religious practices that were preserved in hiding for centuries have become more widely known. Specifically, families of Spanish Jewish descent have retained elements of Judaism for five hundred years. What incredible religious and cultural tenacity! For many these elements represent a discovered identity that helps to explain mysteries in their lives. Is a person Jewish by genes, cultural heritage, religious practice, or by choice? What survives for a person whose ancestors were Jewish five hundred years ago?Fractured Faiths traces the history of the Sephardic and converso (converted) Jews from their Golden Age to the twenty-first century, in both the land they left behind and in the lands they later settled. Documents, maps, paintings, and objects illuminate the history of Sephardic Jews from Spain to Mexico to New Mexico.
