From Brand: Bloomsbury Academic : Free At Last!: The Impact of Freed Slaves on the Roman Empire before purchasing it in order to gauge whether or not it would be worth my time, and all praised Free At Last!: The Impact of Freed Slaves on the Roman Empire:

How did freed slaves reinvent themselves after the shackles of slavery had been lifted? How were they reintegrated

into society, and what was their social position and status? What contributions did they make to the society that had once - sometimes brutally - repressed them? This collection builds on recent dynamic work on Roman freedmen, the contributors drawing upon a rich and varied body of evidence - visual, literary, epigraphic and archaeological - to elucidate the impact of freed slaves on Roman society and culture amid the shadow of their former servitude. The contributions span the period between the first century BC and the early third century AD and survey the territories of the Roman Republic and Empire, while focusing on Italy and Rome.

... the contributors to *Free at Last!* all ask interesting and important questions for the study of the role of freed slaves in the Roman Empire.' -- Ulrike Roth, University of Edinburgh, UK * *Hermathena* *About the Author Sinclair Bell is Assistant Professor of Art History, Northern Illinois University, USA. Teresa R. Ramsby is Associate Professor of Classics, University of Massachusetts Amherst, USA.
