Avraham Barkai : From Boycott to Annihilation: The Economic Struggle of German Jews, 1933-1943 (The Tauber Institute Series for the Study of European Jewry) before purchasing it in order to gage whether or not it would be worth my time, and all praised From Boycott to Annihilation: The Economic Struggle of German Jews, 1933-1943 (The Tauber Institute Series for the Study of European Jewry):

The fullest account to date of German Jews' struggle for economic survival under the Third Reich.
