This was very superficial and didn't really do anything except to catalog most of the sayings that Laura records Ma as having said to her daughters.0 of 0

Caroline Quiner Ingalls, mother of Laura Ingalls WilderBy Star ShineI was very happy to find this book. Caroline Quiner Ingalls was quite an amazing woman. I enjoyed reading it very much, she truly taught the art of patience as a gentle hard working wife, I learned a lot. Thank you

There's not a whole lot written about Caroline Quiner Ingalls, the mother of famed Little House on the Prairie author, Laura Ingalls Wilder. And I always wondered why. So I set about looking for her. . .in family letters, bits of biography and, mostly, through the words she spoke throughout the Little House series. The Ma I thought I'd find wasn't the one I discovered. Would you like to meet her? I think you'll be happy that you did.
