Barry E. Horner : Future Israel: Why Christian Anti-Judaism Must Be Challenged (New American Commentary Studies in Bible and Theology) before purchasing it in order to gauge whether or not it would be worth

my time, and all praised *Future Israel: Why Christian Anti-Judaism Must Be Challenged* (New American Commentary Studies in Bible and Theology):

1 of 1 people found the following review helpful. A fresh, well-supported view of an old topic. By AC Too Barry Horner has written a very scholarly, Biblical approach to the future of Israel and the Jewish people. His research is thorough and the book is complete. A must-read for all Bible believers. 0 of 0 people found the following review helpful. It is a sad commentary of the (Gentile) church through the ages. By tudorgirl THIS book changed my life. Dr. Barry Horner researched 10 years before he wrote this book. It is a sad commentary of the (Gentile) church through the ages. Many times I found myself weeping and had to stop reading, because of the anti-Jewish, anti-Semitic, anti-Judaism.....horrible history that was stated. Many of the "church fathers" were not, "Pauline." The great Apostle Paul had a deep love for his brethren in the flesh. He said he would be willing to be accursed from Christ if only his brethren would come to faith in their very own Messiah. THAT is love. 1 of 1 people found the following review helpful. To the Jew first. By Joseph E. Boerman A much-needed read in a day when ministry to Jewish people is being marginalized at best in the Church. Romans 1:16 still pertains when it comes to the Gospel. "To the Jew first". May God forgive us for neglecting His chosen people.

Future Israel: Why Christian Anti-Judaism Must Be Challenged

"This is by far the best treatment of Israel's future I have found. It's a welcome antidote to the widespread apathy and confusion that have clouded this vital prophetic question. I found it clear, persuasive, thoroughly biblical, and difficult to put down. Future Israel should be required reading for every pastor, seminarian, and student of Bible prophecy." -- John MacArthur
About the Author Barry E. Horner is pastor of Christ's New Covenant Church in Tucson, Arizona, and maintains a Web site devoted to the study of John Bunyan. He holds degrees from George Fox University (B.A.), Western Conservative Baptist Theological Seminary (M.Div.), and Westminster Theological Seminary (D.Min.).
