Incredible Game Changers - Unsung Heroines is an UnderstatementBy

Gail M. Ladd This well-written and informative book is a "must read", especially for parents with daughters. I learned about so many courageous women athletes who are truly heroines and game changers. Many of these women I had never heard of, such as Conchita Cintron, the bullfighter. I have four sons, three of whom are parents of daughters. Each son will get a copy to share with his girls! 3 of 3 people found the following review helpful. loved reading about my swimming heroes and hearing about the ...By Mossrock Thoughtful and insightful...Grew up into sports in the 60's..loved reading about my swimming heroes and hearing about the unsung women who were pursuing their dreams. Many had single handedly excelled when there were no role models to emulate..Great examples of women who persevered and triumphed!

A thoughtful, exhaustively researched, and long-overdue tribute to the women who have paved the way for the likes of Serena Williams, Abby Wambach, Simone Biles, and more. espnW A stirring tribute to the record setters, barrier breakers, and milestone makers who opened the way for the women competitors of today. Packed with classic photographs, Schiots book is a gold-medal gift idea for the sports fan. BookPage Based on the Instagram account @TheUnsungHeroines, a celebration of the pioneering, forgotten female athletes of the twentieth century that features rarely seen photos and new interviews with past and present game changers including Abby Wambach and Cari Champion. Two years ago, filmmaker Molly Schiot began the Instagram account @TheUnsungHeroines, posting a photo each day of a female athlete who had changed the face of sports around the globe in the pre-Title IX age. These women paved the way for Serena Williams, Carli Lloyd, and Lindsey Vonn, yet few today know who they are. Slowly but surely, the account gained a following, and the result is Game Changers, a beautifully illustrated collection of these trailblazers rarely-before-seen photos and stories. Featuring icons Althea Gibson and Wyomia Tyus, complete unknowns Trudy Beck and Conchita Cintron, policymaker Margaret Dunkle, sportswriter Lisa Olson, and many more, Game Changers gives these founding mothers the attention and recognition they deserve, and features critical conversations between past and present game changers including former US Womens National Soccer Team captain Abby Wambach and SportsCenter anchor Cari Champion about what it means to be a woman on and off the field. Inspiring, empowering, and unforgettable, Game Changers is the perfect gift for anyone who has a love of the game.
