By Frank One of the most excellent books on the subject of Gelede/Iyami....beautiful pictures,super-informative,a "must have" in your library,among favorites and special books 0 of 0 people found the following review helpful. Five Stars By Olugbemiga

Oladokun Good job 5 of 5 people found the following review helpful. Indispensable By 00110011 Quite frankly I think every student of Yoruba culture should own this book. While Gelede is the central object of study, the book touches on multiple aspects Yoruba and Orisa spirituality. The amount of information is so overwhelming that you will literally have to read it over and over again.

"... an exceptionally rich source for all those interested in symbolic, religious or social studies." Tribus "... an excellent book... fascinating to read." Research in African Literatures "... a volume that establishes the standards by which future works on the masked festivals of the Yoruba and other Sub-Saharan African peoples will be judged." African Arts "... the most sophisticated art historical analysis of a single African aesthetic tradition." Tribal Arts Review
