**From Brand: University of Nebraska Press : Gender on the Borderlands: The Frontiers Reader** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gender on the Borderlands: The Frontiers Reader:

0 of 0 people found the following review helpful. Four StarsBy CustomerPretty interesting :)0 of 0 people found the following review helpful. Great BookBy StephanierunsforfunThis is a phenomenal composition of essays about the concept of living in the borderlands. A great compliment to any feminist or ethnic studies curriculum.0 of 0 people

found the following review helpful. Gender on the Borderlands: The Frontiers Reader By Sharon Learned a lot about our history that I did not learn in school. Recommend others read this and learn from it.

Gender on the Borderlands captures the intense, complex, and gendered experience of those living along the barbed wire borderlands of Mexico and the United States. Through scholarship, testimonials, oral histories, songs, poetry, and art, the contributors reclaim the borderlands from the distortions and violence of official history and continue the recovery of a gendered Chicana/Chicano history begun by Gloria Anzalda in *Borderlands/La Frontera* more than twenty years ago.

Gender on the Borderlands offers excellent content for anyone interested in studying feminist, ethnic, cultural, critical, and border studies, and is a much-welcome and very necessary text that bridges these studies. T. Mark Montoya, *The Americas*
