Five StarsBy Erik Holdenngreat

This remarkable compilation gives you portions of every address Bush has given in public life about faith in God, his commitment to life and freedom, patriotism, and his hope in the American people.

From the PublisherGeorge W. Bush on God and Country gives the reader the context from which the media pulls the sound-bites. Freiling organizes the speeches into topical themes: for example, the September 14, 2001 speech is titled "On Resolve. Other themes include compassionate conservatism, the use of prayer in American history, medical ethics, American values, the right to life, and justice. Using the original speeches from White House transcripts, Freiling removed the introduction, applause pauses and transcription errors. These minor changes do not take away from the strength of Bushs vision for the America and freedom.About the AuthorThomas Freiling is the author of Reagans God and Country and Abraham Lincolns Daily Treasure. Freiling served on the staff the United States House of Representatives and now serves as the president CEO of Xulon Press, Inc in northern Virginia. He has appeared on C-SPAN and other television and radio programs.
