From Oxford University Press : George Whitefield: Life, Context, and Legacy before purchasing it in order to gage whether or not it would be worth my time, and all praised George Whitefield: Life, Context, and Legacy:

George Whitefield (1714-70) was one of the best known and most widely travelled evangelical revivalists in the eighteenth century. For a time in the middle decades of the eighteenth century, Whitefield was the most famous person

on both sides of the Atlantic. An Anglican clergyman, Whitefield soon transcended his denominational context as his itinerant ministry fuelled a Protestant renewal movement in Britain and the American colonies. He was one of the founders of Methodism, establishing a distinct brand of the movement with a Calvinist orientation, but also the leading itinerant and international preacher of the evangelical movement in its early phase. Called the "Apostle of the English empire," he preached throughout the whole of the British Isles and criss-crossed the Atlantic seven times, preaching in nearly every town along the eastern seaboard of America. His own fame and popularity were such that he has been dubbed "Anglo-America's first religious celebrity," and even one of the "Founding Fathers of the American Revolution." This collection offers a major reassessment of Whitefield's life, context, and legacy, bringing together a distinguished interdisciplinary team of scholars from both sides of the Atlantic. In chapters that cover historical, theological, and literary themes, many addressed for the first time, the volume suggests that Whitefield was a highly complex figure who has been much misunderstood. Highly malleable, Whitefield's persona was shaped by many audiences during his lifetime and continues to be highly contested.

"The Whitefield that emerges from this new collection is a multidimensional...figure."--Early American Literature
"These essays are a remarkable reappraisal of Whitefield in his personal, theological, ecclesiastical, philosophical, political, and geographic contexts...This collection has made a significant contribution to the study of Whitefield and will hopefully encourage further scholarly inquiry into his life and times."--Reading Religion
About the Author
Geordan Hammond is Research Assistant for the Leverhulme Trust Project 'George Whitefield and Trans-Atlantic Protestantism' at Aberystwyth University and is Senior Research Fellow in Church History and Wesley Studies at Nazarene Theological College, Manchester.
David Ceri Jones is a Reader in Welsh and Atlantic History at Aberystwyth University.
