**Hajari : Glimpses of Devayana: A Short Synopsis of the Third Epic of India** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glimpses of Devayana: A Short Synopsis of the Third Epic of India:

To arouse interest of the general public in Devayana, the third epic of India, the Glimpses of Devayana is now being brought out. It begins with the creation of universe and provides details of the Four Ages where Gods, Titans and spiritual heroes walk on the earth. There are accounts of devastating struggles between gods and Demons, and godly kings fighting the demonic forces, as well as peaceful and harmonious times when humanity enjoys eternal bliss. For the first time, we come to know more about the Golden Age. Devayana will surely become as popular as the Ramayana and Mahabharata in the years to come.
