Larkin Spivey : God in the Trenches: A History of How God Defends Freedom When America Is at War before purchasing it in order to gage whether or not it would be worth my time, and all praised God in the Trenches: A History of How God Defends Freedom When America Is at War:

0 of 0 people found the following review helpful. Simple grammatical errors very distracting.By Tom JonesContent of

book was okay, but I was distracted by the appalling number of grammatical errors--in particular the letter "W" was always capitalized even in the middle of a word like alWays. I enjoyed reading the book appreciated the depth of historical perspective given to support the author's belief that God has intervened in human history at critical times. 1 of 1 people found the following review helpful. God in trenches By Leslie Eichhorn Almost give it a four star but alot of good history in this book . Great Author 0 of 0 people found the following review helpful. Five Stars By Dr. Donald A. Hawley Outstanding well written book.

Is God on America's side? Is it possible a providential hand intervened at critical junctures during America's wars? Is freedom important to the Almighty? Larkin Spivey, a decorated Marine Corps officer and respected military professor, believes so. In *God in the Trenches*, Spivey shows that when the nation's survival seemed uncertain, even doubtful, fate seemed to turn America's way, giving way to mysterious if not miraculousevents. These events altered the course of history, leading to victory for the American military and enduring freedom for America's citizens. Whether these events were miracles , or just plain mysteries, Spivey leaves no doubt that the history of the United States was swayed many times by a hidden hand. Will the hand of providence help America once again?

About the Author Larkin Spivey is a decorated veteran of the Vietnam War and a retired Marine Corps officer. Larkin commanded infantry and reconnaissance units in combat and was trained in parachute, submarine, and Special Forces operations. He was with the blockade force during the Cuban Missile Crisis and served President Nixon in the White House. As a faculty member at The Citadel, Larkin taught courses in U.S. military history, a subject of lifelong personal and professional interest. He is the author of *God in the Trenches and Miracles of the American Revolution* and has most recently authored *Stories of Faith and Courage from World War II*, a God Country Press "Battlefields Blessings" release. A lay Eucharist minister of the Episcopal Church, Larkin writes full time and resides in Myrtle Beach, South Carolina. He is actively involved in the Luis Palau Evangelistic Association.
