Prince was a true apostle of Christ. Reading or listening to him always advances my Christian walk. I can't recommend him highly enough for those who seek someone who goes against the grain of the preachers and pastors of today. You can see that he was truly called by God, and not man appointed or applauded. Being led to him changed my Christian walk completely, for the better. 3 of 3 people found the following review helpful. Now I know what is in God's Medicine Bottle! While serving with the British army in World War II, he began to study the Bible as a philosophical work and, as a result, experienced a life-changing encounter with Jesus Christ. He pioneered teaching on such groundbreaking themes as generational curses, the biblical significance of Israel, and demonology. Derek Prince Ministries, with its international headquarters in Charlotte, North Carolina, carries on the good work that God began in and through him by distributing his teachings and by training missionaries, church leaders, and congregations through its worldwide network of offices.
