**Conrad (ed.) Cherry : God's New Israel: Religious Interpretations of American Destiny** before purchasing it in order to gage whether or not it would be worth my time, and all praised God's New Israel: Religious Interpretations of American Destiny:

The belief that America has been providentially chosen for a special destiny has deep roots in the country's past. As both a stimulus of creative American energy and a source of American self-righteousness, this notion has long served as

a motivating national mythology. *God's New Israel* is a collection of thirty-one readings that trace the theme of American destiny under God through major developments in U.S. history. First published in 1971 and now thoroughly updated to reflect contemporary events, it features the words of such prominent and diverse Americans as Jonathan Edwards, Thomas Jefferson, Brigham Young, Chief Seattle, Abraham Lincoln, Frances Willard, Martin Luther King Jr., Malcolm X, Ralph Reed, and Rosemary Radford Ruether. Neither a history of American religious denominations nor a history of American theology, this book is instead an illuminating look at how religion has helped shape Americans' understanding of themselves as a people.

"This new edition is long overdue and very welcome indeed! Catherine L. Albanese, University of California, Santa Barbara"  
"Scholars and students everywhere will rejoice in the reissuing of this volume. Robert Bruce Mullin, General Theological Seminary"  
"Ensures that this anthology should remain a standard work for scholars and students of American religious history."  
"Religious Studies"  
"It deserves wide usage in college classrooms as well as in churches and community associations. Robert N. Bellah, coauthor of *Habits of the Heart*"  
"For teachers who wish to confront the meaning of this historical reality, Cherry's book is an invaluable source."  
Donald G. Mathews, University of North Carolina at Chapel Hill

*God's New Israel* was an invaluable resource for decades. This new edition is a thorough revision which brings the story up to date and shows the continuing importance of the religious understanding of America. It deserves wide usage in college classrooms as well as in churches and community associations.--Robert N. Bellah, coauthor of *Habits of the Heart*  
Scholars and students everywhere will rejoice in the reissuing of this volume. It has been long recognized as a classic, offering a superb collection of primary readings on the subject of religion and American nationality. It is now available again, updated for the 1990s.--Robert Bruce Mullin, General Theological Seminary  
Ensures that this anthology should remain a standard work for scholars and students of American religious history.--Religious Studies  
Religious interpretations of American destiny continue to affect the ways in which many citizens understand their nation, its past, and its future. For teachers who wish to confront the meaning of this historical reality, Cherry's book is an invaluable source for discussion of the major issues.--Donald G. Mathews, University of North Carolina at Chapel Hill
