ANCIENT ISRAEL UNFOLDED....By KJLearning about ancient Israel is very imperative as not much

history is revealed in The Scriptures we have today. Quite eye opening and causes one to think and continue to research what it was really like and why they acted like they did. If only more people would move outside of the box and instead of being spoon fed every Sunday, begin to search for truth on their own! You would be amazed at what you find!! Do you honestly know why you believe what you believe?

How were male and female deities understood in ancient Canaan and Israel? How was the Yahweh cult affected by religious and political features of Egypt, Assyria, and Canaan? Justifying the use of symbols and visual remains to investigate ancient religion, the authors reconstruct the emergence and development of the Yahweh cult in relation to its immediate neighbors and competitors.
