Don Nardo : Greek and Roman Mythology (World History Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Greek and Roman Mythology (World History Series):

4 of 4 people found the following review helpful. Splendid WorkBy A CustomerDon Nardo has published numerous books about the ancient world, and all of the ones I have seen are excellent. This one is no exception. From the strikingly attractive cover to Nardo's well-worded retellings of the myths, to his expert commentary, to the fulsome bibliography, this volume is a must for junior high and high school students seeking a rounded education in the history of Western culture and literature. Taechers will no doubt use this book with confidence and constructive results.0 of 0 people found the following review helpful. HeyyBy A CustomerI think this book was okay it wasn't always that exciting to me. i really maybe didnt like this book.

Examines the historical development of Greco-Roman mythology, its heroes, and its influence on the history of

Western civilization.
