Great InfoBy JoyThis book has great information if you are looking for an old record asI was,but unfortunatly it did not contain the record my husband broke in roller skating .I enjoyed reading all the crazy records.But think my husbands must be in 1969 book.But it was a great buy.0 of 0 people found the following review helpful. Five StarsBy Tim BrummerOf course it is great because I am in this edition for world's fastest bicycle, including a picture.
