S. Frosh : Hate and the Jewish Science: Anti-Semitism, Nazism and Psychoanalysis before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hate and the Jewish Science: Anti-Semitism, Nazism and Psychoanalysis:

0 of 0 people found the following review helpful. FROM THE AUTHOR OF "DEATH OF A 'JEWISH SCIENCE': PSYCOANALYSIS IN THE THIRD REICH"By CustomerAN EXCELLENT ADDITION TO THE LITERATURE!
JAMES E. GOGGIN, PH.D.

Psychoanalysis has always grappled with its Jewish origins, sometimes celebrating them and sometimes trying to escape or deny them. Through exploration of Freud's Jewish identity, the fate of psychoanalysis in Germany under the Nazis, and psychoanalytic theories of anti-Semitism, this book examines the significance of the Jewish connection with psychoanalysis and what that can tell us about political and psychological resistance, anti-Semitism and racism.

'It should be required reading for all those involved in the teaching of psychology. The fourth and fifth chapters are quite simply masterpieces.' - The Psychologist 'Stephen Frosh has assembled a powerful and important book analyzing racism...There is plenty of detail here, a good use of sources, and these chapters will be good for anyone who wants to teach this history.' - Joseph Schwartz, British Journal of Psychotherapy 'Stephen Frosh...has written a fascinating, insightful and provocative analysis of the ways in which Freudian psychoanalysis was constructed by both its practitioners and its anti-Semitic opponents'. - Geoffrey Cantor, University of Leeds, The British Journal for the History of Science
About the Author
Stephen Frosh is Pro-Vice-Master and Professor in the Department of Psychosocial Studies at Birkbeck College, University of London, UK, and was previously Vice-Dean of the Tavistock Clinic.. He is the author of many books and papers on psychosocial studies and on psychoanalysis, including Psychoanalysis Outside the Clinic, Hate and the Jewish Science: Anti-Semitism, Nazism and Psychoanalysis, For and Against Psychoanalysis, After Words, The Politics of Psychoanalysis and Sexual Difference and Identity Crisis . His most recent books are Hauntings: Psychoanalysis and Ghostly Transmissions and A Brief Introduction to Psychoanalytic Theory .
