Mohamed Cherif : Hidden History of The Giants: Why Who manipulates the Truth? before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden History of The Giants: Why Who manipulates the Truth?:

Our ancestors were giants or normal like us !This question must be answered .Why ? Because it's the key to so many blocked doors to understand the history, our present life and the future one. Where are the proofs that confirms that?Why this subject is not showed in mainstream medias.Who are behind this and what's their interest? All the answers are in this book.
