**From Brand: Bulfinch Pr : Hidden History of the Kovno Ghetto** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden History of the Kovno Ghetto:

0 of 0 people found the following review helpful. Limited timelineBy Stacy LaurenThis book covers information on a very brief time in the history of this village. Would have had more info on prior time.0 of 2 people found the following review helpful. Five StarsBy kakepoLove it10 of 10 people found the following review helpful. FrighteningBy A CustomerAn excellent work on one town's experience in the Holocaust. It contains an excellent array of documents from the time, hidden at great risk by the inhabitants. This book should dissuade any reader of the notion that the Jews of Europe did not fight back.

For three nightmarish years the Jews of Kovno faced mass murders and endured forced labour and deportations, but they refused to let their suffering be forgotten. With photographs, paintings, drawings, letters, diaries and reports they meticulously recorded their plight.
