By John G. Cakars
I was not sure what to expect from this book. I had not read any Latvian Jewish histories or memoirs. I found this book thoroughly interesting and informative. The discussion about Jewish life in Kurzeme (Courland/Kurland) was enjoyable. I learned a part of history that was not covered in my Latvian Saturday classes. I would recommend this book to any Latvian and descendants of former Latvian Jews. For my emigre Latvian colleagues, you will learn something by reading this book.

The Jewish community of Latvia lived at the crossroads of East and West and was the home of such distinguished people as Isaiah Berlin and Sergey Eisenstein. This book is a full history of the Jews of the region, from the first arrivals in the sixteenth century to the end of the twentieth, when the Holocaust and the second Soviet occupation resulted in the demise of the Jewish community in Latvia.

"Steimanis raises important questions about the survival of minorities in the nation-state." -- "Choice"
About the Author
Josifs Steimanis is professor of history at Daugavpils Pedagogical University in Latvia.
