For those who had some contact with Shlomo, it is "not to be missed" account of how truly extraordinary he was. I saw him two times in concert and was very moved. This book helped me to understand just how great and amazing a man he was. Note to the publisher: why don't you reprint this? Obviously there are not enough copies to around, and that discrepancy between supply and demand is inflating the price. Shlomo would have wanted it available to any and all. I hope it gets reprinted soon.0 of 0 people found the following review helpful. Such an inspiration! Rabbi Carlebach was truly unique!!By CustomerThis book is beautiful! Almost made me feel like I had met the man myself. Full of joy and life, as was he.

Rabbi Shlomo Carlebach was one of the most original and inspired Jewish personalities of the twentieth century. In this incredible volume, Yitta Halberstam Mandelbaum, a devoted student of Reb Shlomo, gathers dozens of stories about this charismatic, loving Jewish leader. The episodes retold here by Reb Shlomo's followers and admirers underscore his unfailing generosity, his capacity to love unconditionally, and his desire to reconnect every Jew with his or her heritage. As a whole, the collection reveals how many individuals were touched by Reb Shlomo, and serves as a moving tribute to the man many consider a tzaddik (righteous one).
