George G. Morgan : How to Do Everything: Genealogy, Fourth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Do Everything: Genealogy, Fourth Edition:

0 of 0 people found the following review helpful. Beginners as well as seasoned genealogists will appreciate this great reference! :) By L. Folkers This book is perfect for the beginner as well as reminding seasoned genealogists of research paths they may have forgotten about. Each edition has added the newest resources such as social media and DNA and continues to be my go-to reference. Exceptionally well written with easy to understand explanations, I highly recommend this book to anyone working on their family tree! 1 of 1 people found the following review helpful. Excellent reference book By E. Stevenson This book has been so helpful to me. I refer to it often and highly recommend it. Attended a lecture by George Morgan and liked it so much I ordered the book. 0 of 0 people found the following review helpful. Excellent book for family historians By Customer I had checked this book out at my local library wanted a copy for myself. Excellent book for family historians.
