Cesare Ripa : Iconologia: or, moral emblems, by Csar Ripa. ... illustrated ... by I. Fuller, ... By the care and at the charge of P. Tempest. before purchasing it in order to gage whether or not it would be worth my time, and all praised Iconologia: or, moral emblems, by Csar Ripa. ... illustrated ... by I. Fuller, ... By the care and at the charge of P. Tempest.:

2 of 3 people found the following review helpful. Poor IllustrationsBy ANDRE L R VITORINOIt's a copy of a book published in 1709, a British Edition.It's okay, but there are 4 ilustrations by page (too small) and the quality is not

good enough to see the details. The text is about colors too, but the illustrations are all in black and white (probably like the original). I'm trying the second one, "Della novissima iconologia" (Italian Edition).

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century.++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:++++Trinity College Library Watkinson Collection T154167 With an additional titlepage, engraved. With a numbered illustration on the verso of each numbered page; the final illustration, no. 81, is a plate. London : printed by Benj. Motte, 1709. [11]p., 81 leaves, plate : 81 ills. ; 4
