**Byron Khun de Prorok, Byron Khun De Prorok : In Quest of Lost Worlds (Historical Adventure and Exploration)** before purchasing it in order to gage whether or not it would be worth my time, and all praised In Quest of Lost Worlds (Historical Adventure and Exploration):

This book covers five different archeological expeditions: the discovery of Tin Hinan's tomb in the Hoggar Mountains

of the Sahara (1925-26); the excavation of Jupiter Ammon in Libya (1926-28); a short trip into Tripolitania, Libya (1931); an encounter with the stone-age Lacandon Indians in Chiapas, Mexico (1932-33); and a search for King Solomon's mines in Ethiopia (1933-34). Some of this material is covered in his other books, but the details and the telling here are radically different: This book illuminates the others, and vice versa. But if you buy only one de Prorok book, this is it.
