Great ResourceBy CustomerHad this book more than 20 years ago, always a good resource. I wanted it again.0 of 0 people found the following review helpful. Indestructible JewsBy ZaydewiseExcellent book on the history of the Jewish people and faith.

A compelling and readable account of the four thousand year history of a people that spans the globe and transcends the ages. From the ancient and simple faith of a small tribe to a global religion with adherents in every nation, the path of the Jews is traced through countless expulsions and migrations, the great tragedy of the Holocaust, and the joy of founding a homeland in Israel. Putting the struggle of a persecuted people into perspective, Max Dimont asks whether the tragic sufferings of the Jews have actually been the key to their survival, as other nations and races vanished into obscurity. Here is a book for Jews and non-Jews to enjoy, evoking a proud heritage while offering a hopeful vision of the future.

From the PublisherMax I. Dimont's *Jews, God and History*, with more than a million and half copies in print, has been acclaimed the "best popular history of the Jews written in the English language." It answers the questions of the layman searching for an interpretation and understanding of events and facts covering Jewish and world history. The author's unique approach to his subject is continued in *The Jews in America* and *The Amazing Adventures of the Jewish People*. His last book, *Appointment in Jerusalem*, was published, after 20 years of research, shortly before his death in 1992.
