**Lana Shore : Island Treasure: The Making and Remaking of Petit St. Vincent** before purchasing it in order to gage whether or not it would be worth my time, and all praised Island Treasure: The Making and Remaking of Petit St. Vincent:

0 of 0 people found the following review helpful. Island GemBy George A. LeeAn interesting history and story of a truly beautiful island retreat and the entrepreneurial spirit that gave it birth. It is worth reading for anyone who has visit his part of the world

This is the amazing story of how a little island in the Caribbean became a unique island resort. From native inhabitants long ago to one man's dream of building a private hideaway, a 'little gem in the Caribbean' was born. Look into these pages and find the wonder of how it began, the incredible work and dedication put into its making, and what lies ahead for its future. This book is an outstanding addition to your library and is a great story that will inform, amuse, and entertain you.

About the Author Lana Shore is an accomplished freelance writer and professional photographer with more than 20 years experience. Her clients include magazines, websites, calendars, non-profits and corporations. Her latest publication, ISLAND TREASURE, showcases the private island of Petit St. Vincent in the Grenadines. She follows its history from the ancient past to the present and reveals how one man's dream of owning this island and making it into a resort became a reality. She currently lives in Colorado in the beautiful Rocky Mountains.
