**David B. Galbraith, D. Kelly Ogden, Andrew C. Skinner : Jerusalem: The Eternal City** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jerusalem: The Eternal City:

2 of 2 people found the following review helpful. Excellent research.By karen squiresI would recommend this to any Mormon who likes history and is concerned about Jerusalem. It has more of a "Mormon" flavor that I expected and is perhaps just written for them.The research is excellent and from some of it I will be reading more.0 of 0 people found the following review helpful. JerusalemBy Scott T. SmithMany ideas come to mind when anyone hears the name Jerusalem. Yet few people know the real Jerusalem. This book includes in depth research and scholarship. This is a great book to enhance your knowledge of the fought over, enchanted, faith promoting and loved city.0 of 0 people found the following review helpful. Five StarsBy CustomerBeautiful book! Historically and Spiritually magnificent

Latter-day Saints are well aware of the significance of the great city of Jerusalem in our theology and in the history of God's dealings with his people. Here is a unique contribution to the literature of the Church prepared by three professors who have a combined total of thirty-five years residence and experience in Jerusalem. Jerusalem, the Eternal City studies the Holy City from 2000 B.C. to A.D. 2000 from Melchizedek to the Millennium. It is the first treatment of the significance of Jerusalem from an LDS point of view. Through the disciplines of theology, history, geography, anthropology, archeology, linguistics, and political science, the book is a comprehensive analysis of

Jerusalem's multifaceted influence on world history through forty centuries.
