I purchased the whole kit and donated it to our church. The kids are enthralled and we have so much fun learning, worship and praying. The lesson plans are wonderful and I believe the curriculum will help preventing children leaving the church when they are older, which is one of my goals. The DVD WITH THE AUDIO STORIES and the lesson plans is missing from my room. What can I do to get a replacement DVD. I do not need the cds Thank you for your help. By Risse This Bible captures more of the heart of each Bible story than any other children's Bible I've seen. My 4-year-old

(who loves books) has most stories memorized and still wants to read at least one every day. My 2-year-old has a hard time staying engaged through the end of the stories but still enjoys them. The writing is easy to understand yet magnificently eloquent, and the artistry is a perfect complement. We love it! 2 of 2 people found the following review helpful. The best children's Bible and curriculum by far! By Customer The Jesus Storybook Bible is one of MY favorite books. It is simple, beautiful, and powerful. We read it with my five year old son every night, and he loves it as well! Our whole family has grown through reading the JSB! I weep most nights as I read the wonderful story of God's relentless love and pursuit of His people. The curriculum is phenomenal too! There is no greater children's book than this.
